

Dear Catholic School Families of the Archdiocese of Newark,

We are all hoping you are doing well and staying healthy! We appreciate your collaboration and dedication in making remote learning a successful experience for your children! Our principals and teachers are working very diligently to ensure that your children are receiving the best instructional experiences and materials as possible during this difficult time. As we stay strong together in our continued efforts in following the safety guidelines and maintaining our faith, we are confident that when this challenging time is over, we will all be in a good place with our health, family connections, and education. One of our highest priorities during this time is to ensure that all children and families have the basic resources necessary for their health and wellness. Please find resources below for specific towns in our Archdiocese which are providing food resources for children and families. Please feel confident that we are here to support you always through these difficult times. Feel free to reach out with questions and support as needed. We continue to pray for you and your families.

With love and peace,

Eileen O'Neill

Eileen O'Neill, M.Ed., LPC, NCC, BCC, TOH, Behavior Analyst, Educational Consultant
Director of Special Education Services and Government Programs
Archdiocese of Newark
oneillei@rcan.org
