The International Thespian Society is the only organization to honor secondary school students for outstanding work in theatre. The resolution with which the Society approaches this role is evident in its focus on the students; their achievements, involvement, and access to quality theatre arts instruction are basic concerns of ITS.

Thespian membership is granted for the performance of meritorious work in theatre arts which meets the Society's general guidelines. Specifically, students become members by earning points for their work.

**Any student who has participated in at least two productions and has acquired a total of 10 points is eligible for Thespian Society membership.**

The following are general guidelines on the awarding of points:

- Thespian membership will be awarded on a democratic basis to ALL students of AHA who qualify according to the requirements of the point system. No student will be elected into the Society.
- A student must participate in at least two full-length productions in some manner.
- Students are responsible for keeping track of their own points.
- All points are subject to approval by Miss McSherry (ITS moderator)
