NOTE: We cannot offer door-to-door bus service due to the number of students that require busing. (This would create routes that would take up to 2 hours) We can provide a centralized stop within 1/2 mile from the address provided.

I further understand that my child must adhere to all bus rules and be respectful to the rights of property owners and the neighborhood where the bus stops are located. Failure to abide by these rules may result in loss of bus privileges.

I have received, read, and understand the above information.
