Unlocking opportunities for academic advancement and seamless transitions, we are thrilled to introduce the Academy of the Holy Angels' new articulation agreements. Crafted with the aim of facilitating smooth educational journeys, these agreements pave the way for students to seamlessly transition from AHA to another academic institution, ensuring continuity, support, and excellence along the way.

What is an Articulation Agreement:

An articulation agreement is a formal arrangement between educational institutions that allows for the transfer of credits, recognition of coursework, and collaborative programs. It serves as a bridge, connecting students from one institution to another, ensuring that their hard work and achievements are honored and continue to propel them forward.

Key Features:

Credit Transfer

Earned credits are recognized and seamlessly transferred between institutions, saving time and money for students while maintaining the integrity of their academic achievements.

Guaranteed Admission

Qualified students can benefit from guaranteed admission into specific programs or institutions outlined in the agreement, providing clarity and assurance in their academic pursuits.

Streamlined Pathways

Clear academic pathways are established, outlining the courses and requirements necessary for successful transfer and progression toward degree completion.

Support Services

Dedicated support services are available to assist students throughout the transfer process, including academic advising, counseling, and resources to ensure a smooth transition.

Enhanced Opportunities

Access to enhanced educational opportunities such as dual enrollment programs, joint degrees, and cooperative education experiences enriches students' academic journeys and prepares them for success in their chosen fields.
