Tuition Policy, FACTS Registration & Financial Information

Middle School Tuition Policy & FACTS Registration

It is the policy of Academy of the Holy Angels, that all student families must register for the FACTS Tuition Management Program. Registration deadline is March 31, 2027.

In order to create your AHA student billing account and complete your online registration, it is mandatory that all student families register for the FACTS Tuition Management Program. FACTS is an automatic payment plan made through your checking or savings account. The plan will authorize your financial institution to make automatic payments to FACTS on a specific day each month, per your payment schedule selection. Follow this link for FACTS Login.

For the 2027-2028 academic year, we offer different tuition payment schedules according to your choosing:

- Pay in Full (by July)
- Semi-Annually (July and January)
- Quarterly (July, October, January, April)
- Monthly (10 payments July through April)
- Monthly (11 payments June through April)

Important Payment Dates to Remember:

- **March 31** – FACTS Registration Deadline
- **May 10** - Student Billing Fees will process automatically through FACTS
- **June 10** – Student Billing Fees will process automatically through FACTS

Multi-Family Agreements**:** If parents are separated or divorced and each parent is financially responsible, they must each register with FACTS. Both parents must provide the tuition distribution in writing to the Finance Office; one parent cannot submit on behalf of the other**.** FACTS agreements will be revised accordingly. Payment plans will not be activated until all required agreements are completed.

Student families with an attending student and new, incoming siblings(s) do NOT have to register for a new FACTS Plan (creating separate FACTS Plans for each student). Simply contact **studentbilling@holyangels.org** to add your new student information to your existing AHA FACTS Plan.
